

Practical information for Parents/ Carers attending Parent & Child Groups

If there is space, please feel free to park on our drive. There is free parking in nearby roads. If traveling by bus from the town centre, catch number 5 or 6 and get off at Christchurch Gardens.

We spend time outside during every session, therefore, please dress appropriately for the weather.

Please sanitise/ wash your hands on entry and regularly throughout the session.

Please sign in.

Adults - Please wear a mask inside, (unless you are exempt). Masks can be removed at the table to drink drinks. To aid airflow, windows and doors will remain open during sessions.

Mobile phones should not be used during sessions. Photos taken during sessions should be of only your child/ren.

First aid kits are available. First aid should be carried out by the child's Parent/Carer. If an adult needs medical assistance, the group leader will seek medical help.

If you or anyone in your household is showing symptoms of covid-19 or has tested positive. Please let your group leader know and observe the necessary isolation period.

If your child contracts chicken pox, please let your group leader know.

Healthy snacks, such as fruit, vegetables, oat/rice cakes will be offered during sessions. Due to allergies, please refrain from bringing in food.

Please make your group leader aware of any allergies or medical conditions of both adults and children attending sessions.

Children remain the responsibility of their Parents/ Carers at all times.

Fire procedure, if the fire alarm is activated, please calmly head to the meeting point, located at the front of the building.

Safeguarding lead - Gemma Coleman. Any concerns, please raise them.
